

Our funds are generated through donations and researching appropriate grants. We do appreciate any and all donations. Please see our website for further information at www.phedfoundation.org.

Donations should be made to PHEF and mailed to:

Meryl Thomas
384 Whittier Drive
Pittsburgh, PA 15235

Our organization appreciates all support and we ask that you share this information with others. If you are a PH graduate please let your class members know who we are!!

Thank you so much.

Mission Statement:

The purpose of the PHEF is to enhance and support the educational and overall experience of all Penn Hills students attending our schools. It is to provide opportunities for development, improvement and expansion of educational and other programs for the Penn Hills School District.

PENN HILLS EDUCATION FOUNDATION

phedfoundation.org

The Penn Hills Education Foundation (PHEF) was created as a separate entity from the Penn Hills School District. We are a 501(c)3 registered with the IRS as a non-profit organization.

Our **board of directors** is comprised of individuals who have a dedication to Penn Hills students and schools — either as a community member or provider.

Some of our **accomplishments** since starting the foundation are :

- PHEF provided each kindergarten class with a container filled with items for their indoor recess time
- We purchased timing pads needed for the swim team.
- Kindergarten received a program from River City Brass Band to encourage musical interest.
- Fourth grade classes had a hands-on program from Carnegie Science Center and also received items for indoor recess time.
- We provided uniforms for girls and boys soccer teams through the Athletic Department program.

PHEF is now creating a financial **reward program** for qualifying PHHS seniors. This is available to students pursuing any type of degree/certification following high school. We encourage all seniors to apply. Applications and interviews will determine the recipients of this award. Each award will be \$1,000.
